♩ = 90

# Goin' Up Town

Traditional; arr. Pete Showman

(Goin' Uptown)

Arr and typeset in ABC by Pete Showman 8/13/12. This starts out sounding similar to Ragtime Annie -- so be careful! This version is more or less how I learned it years ago. I've thought of it as a cakewalk, but don't find any references to that origin. See [tunearch.org/wiki/Annotation:Goin%27\\_Up\\_Town](http://tunearch.org/wiki/Annotation:Goin%27_Up_Town) for more info.
